Re: the construction of roofing to the vegetable market in Hassan
Town Municipality

I have the honor to state that the Town Municipal Council of Hassan has provided a vegetable market consisting of some stalls and a row of open platform. The stalls have been rented out but the open platform is used by the villagers and others for selling vegetables. Great inconvenience is felt by the public and the vendors as there is no protection against sun and rain for these open platforms. The Municipal Council having considered the necessity for protection resolved to provide roofing with asbestos sheets and sanctioned an estimate for Rs. 4450/- for this purpose. However the Executive Engineer has scrutinised this estimate for Rs. 4800/- this expenditure is proposed to be met out of the provision made in the budget for the current year under B2 Public Works.

I request that sanction of Government may kindly be obtained to the estimate for Rs. 4800/- as scrutinised by the Executive Engineer and to carry out the work through the Municipal Agency since there is a special Sub-overseer of the P.W.D. employed by the Municipality for looking after public works.

A copy of the resolution of the Municipal Council is enclosed together with the plan and estimate.

I have the honor to be,
Sir,
Your most obedient servant

L. M. S. Suran
Deputy Commissioner,
Hassan District
